MEMORANDUM FOR: Deputy Director for National Foreign Assessment
Chief, SALT Support Staff
Director of Public Affairs
Special Assistant to the DCI for Counterintelligence

FROM: Director of Central Intelligence

SUBJECT: MEET THE PRESS Program on SALT ☐

25X1

During my conversation with the Secretary of State on 7 May, he indicated that he and the Secretary of Defense are going to be on MEET THE PRESS together next Sunday (he said for an hour, but I wonder if that is the case). He indicated that he wanted the two of them to get together with me to be sure they had the right data on SALT issues. I told him I would be glad to do that even at the point of cancelling my trip to the Business Council on Friday, but that I would be back Saturday morning. He indicated he thought Saturday morning would be a good time for this. ☐
